

a taste of
AFRICA

Sample the flavours of South Africa and enjoy an inspiring musical performance in support of HopeShares Canada!

Special guests, Sindy Khanyile and Buli Cele, program leaders at Seed of Hope South Africa, will share stories of restoration and hope from their work in the Bhekulwandle township.

Experience a casual dinner with signature foods from Buli's kitchen, followed by music from Sindy alongside musical guests Nathan Carroll and Melayne Shankel. Dinner is free of charge.

An opportunity to make a tax-deductible donation will be given.
